

Хмарини

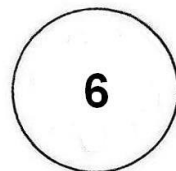

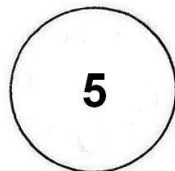

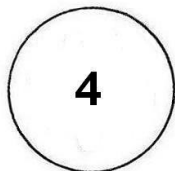

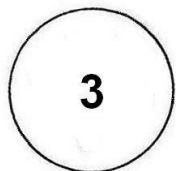

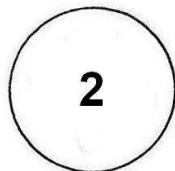

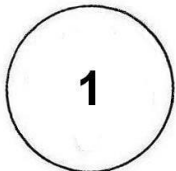

Іванка і Тетянка рахують хмарини.

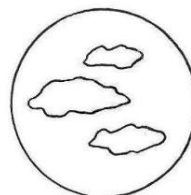

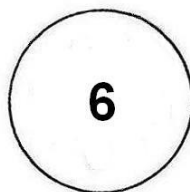

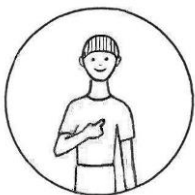

Іванка рахує:

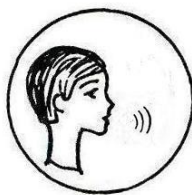

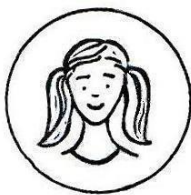

– Один, два, три, чотири, п'ять, шість –

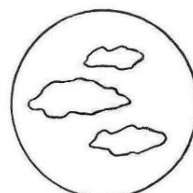

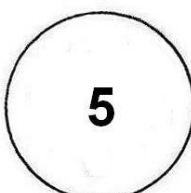

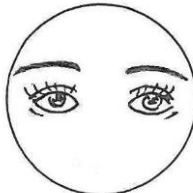

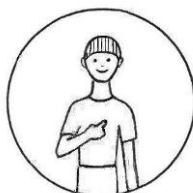

я бачу шість хмарин!

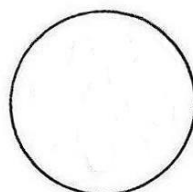

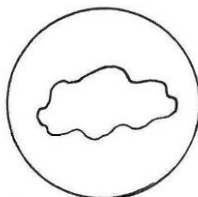

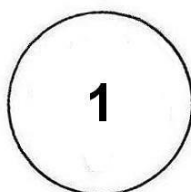

А Тетянка каже:

– Я бачу п'ять хмарин!

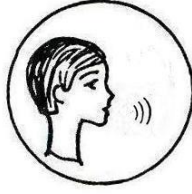

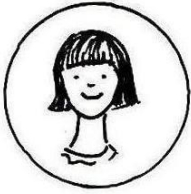

Перша хмарина розвіялась.

Іванка

каже:

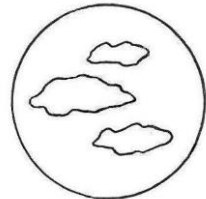

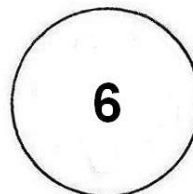

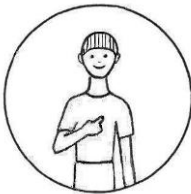

– А

я

бачу

шість

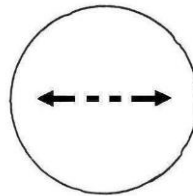

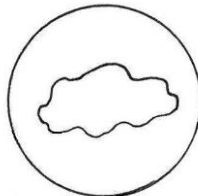

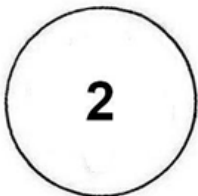

хмарин!

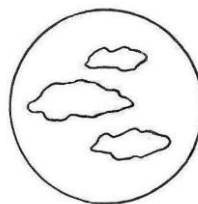

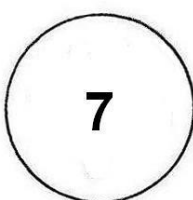

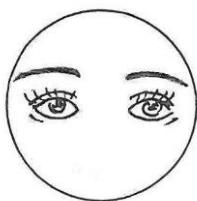

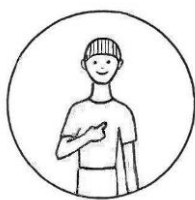

Друга

хмарина

розділилась.

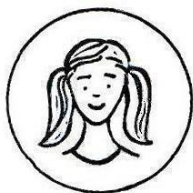

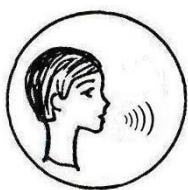

— А я бачу сім хмарин! —

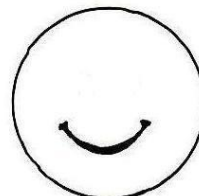

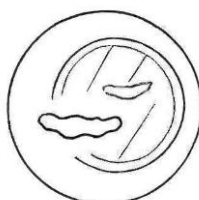

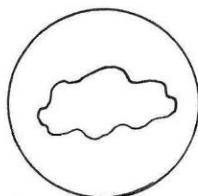

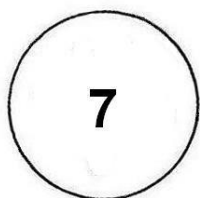

вигукує

Тетянка.

— Сьома хмарина схожа на усмішку! —

сміється

Іванка.
